

WHAT WE DO:

MHD-Rockland Inc USA is a woman-owned small business, with a focus on fixed wing and legacy airframe material support. We focus on matching our industry knowledge and Government acquisition analysis to offer expedient growth to industry partners whilst sustaining the warfighter. We are set up to support contracts through any Government vehicle requested.

FACILITY:

2111 Baldwin Avenue, Crofton MD 21114

PAYMENT TERMS:

Net 30 EDI | WAWF

SUMMARY:

With over 50 years in aviation procurement. We accomplish our tasks through hard work, dedication, outstanding technical and management capabilities, as well as an ability to excel in such areas as cost management, quality, and delivery. We are willing to invest to support and accomplish whatever the mission demands.
