

P-3 ORION WING FLAP ACTUATORS AND FLAP BRAKES

MHD-ROCKLAND is proud to be the exclusive international distribution partner of Precision Air Parts Support Services for the SPL line of wing flap actuators and flap brakes.

This partnership demonstrates our commitment to offer sustainable long-term repair and logistics solutions to legacy fleets around the globe.

The legacy fleet sustainment program offers:

- ✓ Complete "out of the box" support
- ✓ Customized long-term, fixed-rate pricing support agreements
- ✓ OEM repair and overhaul services
- ✓ Maintenance training.
