

DEDICATED + EXCESS INVENTORY

DEDICATED INVENTORY

Holding your own inventory is space consuming and costly. MHD-ROCKLAND worries about stock, while fleet operators concentrate on mission readiness. Our objective being to provide rapid access to spare parts in order to facilitate aircraft maintenance, we help clients plan ahead and make sure that we have the right parts in stock when they need them.

STRATEGIC APPROACH

- ✓ Personalized and shared forecasting tools
- ✓ Guaranteed part availability at all times
- ✓ Reduction of client's inventory and associated costs
- ✓ Immediate shipping – anytime, anywhere

EXCESS INVENTORY

Slow moving stock? With our excess inventory management services, we can help clients make money from their surplus stock. Aircraft operators and repair stations often need to shed excess inventory, as a result of changing programs or outsourcing trends. We have years of experience helping our clients, including OEMs and governments, make a return on idle investments.

ADVANTAGES

- ✓ A professional evaluation of your assets
- ✓ An audit trail
- ✓ Returns that can be optimized
- ✓ Help managing inventory and certifications
