

ABOUT US

COMPANY OVERVIEW

MHD-ROCKLAND sets itself apart as a world class supplier in fixed wing aircraft services and support by working hard every day to make life easier for ageing commercial and military aircraft operators around the globe. Our continued success is largely based on the integration of legacy management and continued manufacturer support through OEM and other channel partners. With one of the largest privately-owned P-3 and C-130 inventories in the world, five P-3C Orions, four L-188 Electras and over 200,000 square feet of warehouse facilities, MHD-ROCKLAND is your ideal aircraft parts and service supplier.
