

## MRO SOLUTIONS

### RELIABLE MAINTENANCE MANAGEMENT

#### MHD-R TECH-OPS

MHD-ROCKLAND Tech-Ops is proud to be the only OEM licensed actuation solution provider in North America. Backed by more than 40 years of experience, our highly qualified mechanics and technicians, offer comprehensive maintenance services for various types of aircraft.

Our Transport Canada and EASA certified maintenance facilities are ready to serve you 24/7/365.

We offer solutions and continued support for Bombardier and Fokker legacy platforms. Moreover in order to meet our customers' demands we are continuously adding to our capabilities in hydraulic actuation.

#### IN-HOUSE MRO

MRO capabilities with quick turn-around times.

#### 24-7 AOG SUPPORT

Experienced team working round the clock.

#### CUSTOM SOLUTIONS

Flexible solutions to meet customer requirements.

#### QUALITY & COMPLIANCE

Strict quality control and compliance processes.

## OUR CAPABILITIES

We pride ourselves at offering a full suite of services covering the CRJ 200 and F 100 platforms. We are continuously improving our services and adding new platforms. For a complete list of capabilities, please refer to the capabilities sheet or contact us.
